Welcome

Thank you for your interest in the role of Minibus Driver at King's.

King's College and King's College Prep are thriving, co-educational, independent boarding and day schools for children from 2 to 18 years. Located on two sites, both schools provide inspired teaching and superb facilities to create an environment in which young people achieve great things.

We are looking for a responsible driver to transport pupils to and from both schools, ensuring they arrive safely and on time.

We look forward to hearing from you and considering your application.

MICHAEL SLOAN
Headmaster

“ In their everyday lives around the school, our pupils show the confidence to succeed, and the determination to give their very best. ”

About the Schools

King's provides continuous day and boarding education for girls and boys aged 2 to 18 years. It comprises King's College Prep which has approximately 300 children from 2 to 13 and a senior school with approximately 400 pupils from 13 to 18.

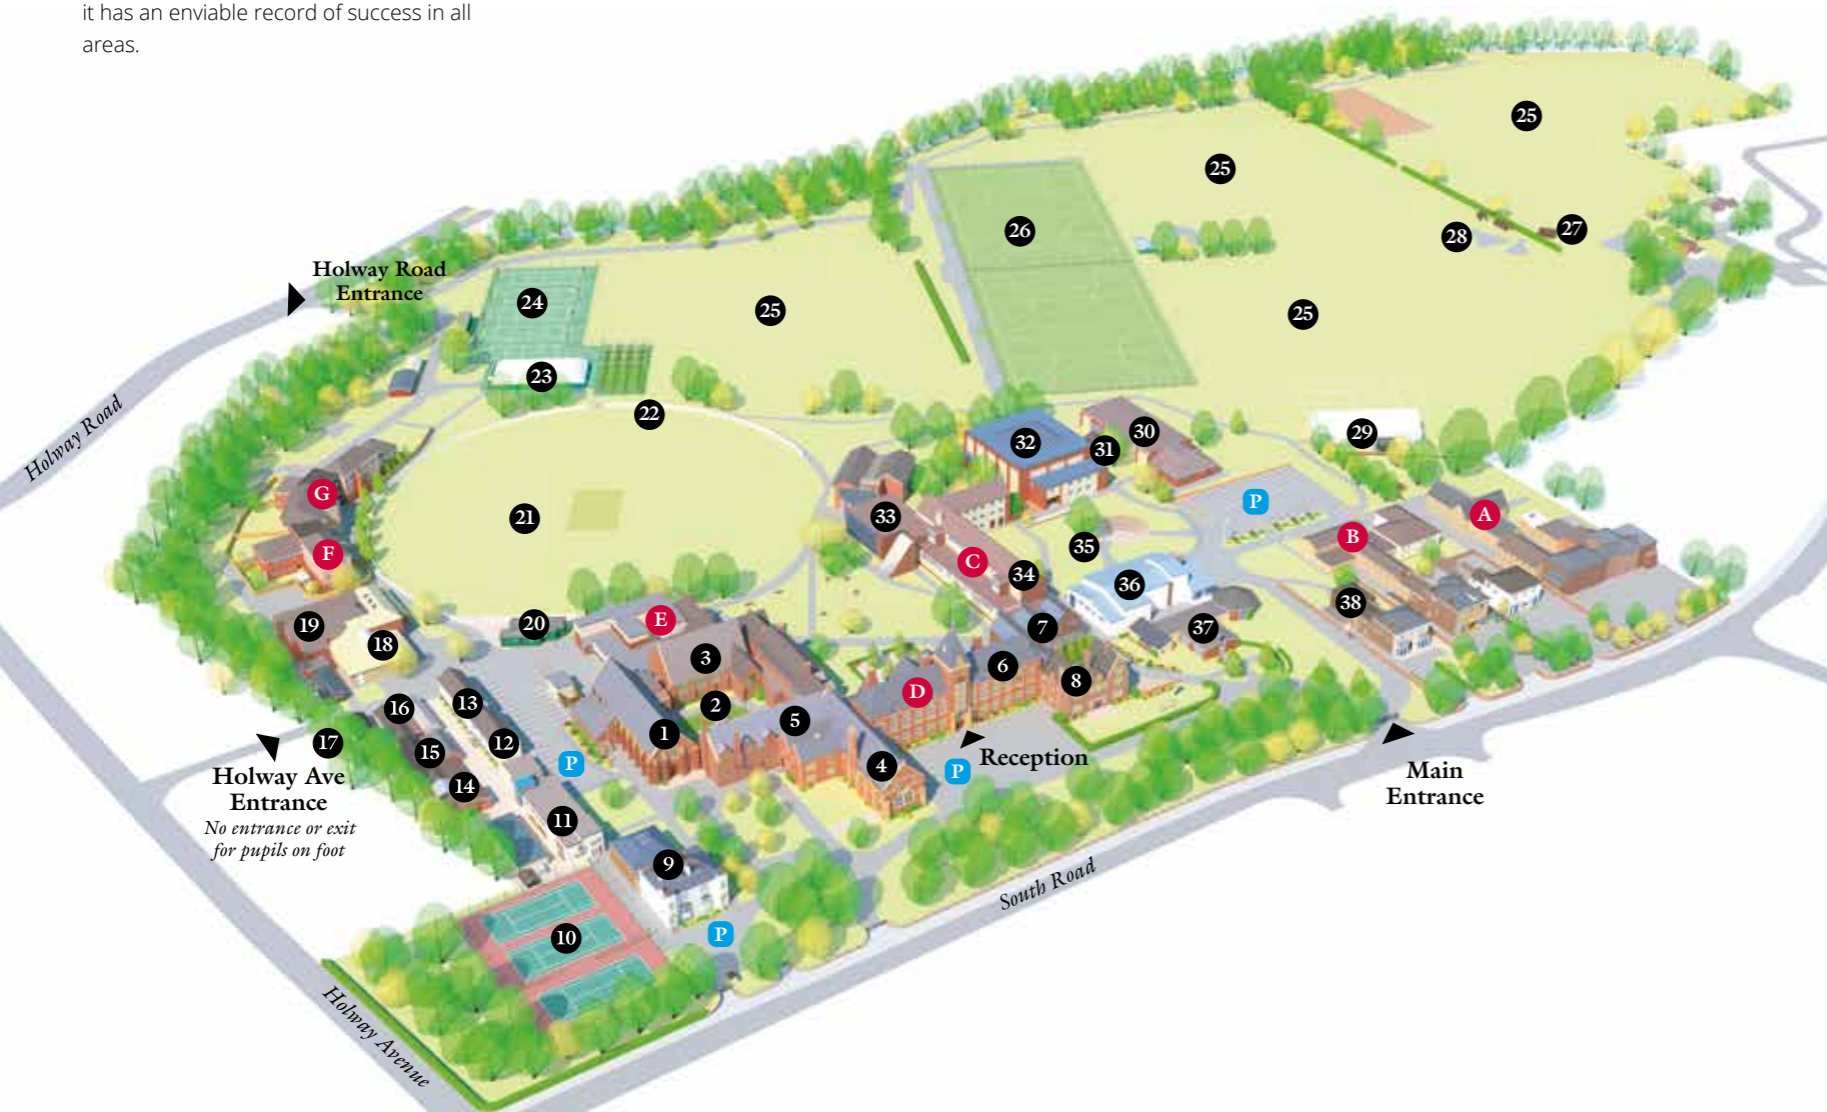

The schools are situated on separate sites in the south west of England and combine traditional values with state-of-the-art facilities. Both schools are run by one governing body, with many functions (marketing, strategy and finance for example) undertaken jointly.

King's College has a rich and welcoming family and community ethos. Just over 60% of the pupils board. For a relatively small school, it has an enviable record of success in all areas.

The school has regularly topped GCSE and A-level league tables for Somerset. A broad range of co-curricular activities is offered, and the school is renowned for its success in sport, music, performing arts, fine art, design technology and outdoor pursuits. In many of these activities our pupils have achieved success at national and even international levels.

Good discipline is encouraged in a firm and positive way within a supportive pastoral framework. King's College is strong on manners and social skills. Pupils go on to thrive at good universities and in their professional careers.

In short, King's is a purposeful, outward-looking, down-to-earth, highly successful school.
