19 May 2023

This week started with the grand unveiling of this year's Summer Show spectacular which was met with plenty of excitement and enthusiasm. Summer term in Pre-Prep will conclude with the performance of, 'Pirates versus Mermaids', a swashbuckling adventure in which we will meet a band of brave pirates, a crew of feisty mermaids, a crocodile and a rather quirky parrot! We will be introduced to the trainee pirates who attend Me Hearty High School, the most distinguished pirate school on the seven seas who can't wait to graduate and become proper pirates. However, there is a problem as none of them can swim! If they can't swim, they will fail their 'Arrr' Levels and then what will they do? The answer lies with the VERY sassy mermaids who live on the other side of the sea, but the pirates do not like the mermaids and the mermaids do not like the pirates which leads to some funny interactions as they navigate their way to overcome the problem. It is a story of conquering fears, being respectful and tolerant of each other and valuing our differences. Avast! and Ahoy! for the hard work to begin to translate all of this onto the stage!

Catering is ordered each day according to booked spaces and recent sessions have seen a significant number of children attend who were not on the register which can make life a little complicated! Thank you for your co-operation.
